Please let me know the reason for charging this item against the cost of construction of the Parliament Buildings at Ottawa.

I am, Sir, Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Public Works Department.

PUBLIC WORKS DEPARTMENT, October 20, 1922.

SIR,—Replying to your enquiry of the 16th instant as to the reason for charging to the Parliament Buildings Vote the freight on certain pieces of walnut consigned to the Canadian Trade Commissioner in New Zealand, I beg to advise you that the New Zealand Government sent a free gift of Kauri pine to the Canadian Government from which to manufacture the interior finishings of the Prime Minister's Office. This wood has been used in the Parliament Buildings.

As the Government of New Zealand were erecting new Legislative Buildings of their own, it was considered to be a graceful thing to return the compliment by sending them sufficient Canadian wood with which to finish a room in their new buildings, and as the whole transaction concerned the Parliament Buildings here, it was considered appropriate that the charges in connection with the New Zealand Government be defrayed from that Vote.

The Assistant Auditor General.

National Gallery: Travelling Expenses of the Director and Mrs. Brown

AUDIT OFFICE, November 4, 1922.

SIR,—I beg to bring to your notice the voucher sent me in support of payments for travel made by cheques 275 and 294 of the fiscal year ended March 31, 1922, in favour of Mr. Eric Brown to the amount of $1,152.47.

This voucher is headed—"travelling expenses of Director and Mrs. Brown, Western Tour, June 4—July 23, 1921".

Please let me know the authority for charging Mrs. Brown's travelling and living expenses, while on this tour, to the appropriation for the National Gallery.

It seems to me the portion of the total expenditure detailed in the voucher sent in by Mr. Brown incurred for Mrs. Brown's travelling and living expenses should be refunded at once.

I shall be glad to have your explanation at your early convenience as the preparation of the report of this Office for the past fiscal year is now nearing completion.

I am, Sir, Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Director of the National Gallery,
Public Works Department.

Edifices parlementaires d'Ottawa: Expédition de bois en Nouvelle-Zélande

BUREAU DE L'AUDITEUR, 16 octobre 1922.

MONSIEUR,—Parmi les comptes imputés sur le crédit "Restauration des Edifices parlementaires à Ottawa" en 1921-22, se trouve un item de $280, frais de transport océanique de 324 morceaux de noyer consignés au Commissaire du Commerce canadien en Nouvelle-Zélande.

Veuillez me donner la raison pour laquelle vous imputez cet item sur le coût de la construction des édifices parlementaires à Ottawa.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre des Travaux publics.

DÉPARTEMENT DES TRAVAUX PUBLICS, le 20 octobre 1922.

MONSIEUR,—En réponse à votre demande du 16 de ce mois relative aux raisons de porter au crédit des édifices du parlement le fret de certaines pièces de noyer consignées au Commissaire canadien du Commerce à la Nouvelle-Zélande, je dois vous informer que le gouvernement de la Nouvelle-Zélande a expédié en don gratuit du pin Kauri à l'adresse du Gouvernement canadien dans l'intention de le faire servir à la décoration intérieure du bureau du premier ministre.

Comme le gouvernement de la Nouvelle-Zélande se trouvait à ériger des édifices législatifs chez lui, à l'époque, on a cru de bon ton de répondre à cette politesse en expédiant du bois canadien en assez grande quantité pour finir une pièce de leur nouvel édifice, et, cette initiative en son ensemble concernant les édifices parlementaires ici même, nous avons cru à propos de faire que les frais portés au compte du gouvernement de la Nouvelle-Zélande soient pris à même ce crédit.

L'assistant auditeur général. J. B. HUNTER, *S.-M.*

Galerie nationale: Frais de voyage du Directeur et de Mme Brown

BUREAU DE L'AUDITEUR, 4 novembre 1922.

MONSIEUR,—Je désire porter à votre attention les pièces justificatives qui m'ont été envoyées à l'appui du paiement de frais de voyage fait au moyen des chèques 275 et 294 de l'exercice financier clos le 31 mars 1922, et émis en faveur de M. Eric Brown au montant de $1,152.47.

Ce document porte le titre "frais de voyage du Directeur et de Mme Brown, Tournée de l'Ouest, 4 juin-23 juillet 1921."

Veuillez me dire en vertu de quelle autorité les frais de voyage et de subsistance de Mme Brown, au cours de cette tournée, peuvent être imputés au crédit de la Galerie Nationale.

Il me semble que la partie des déboursés énumérés en détail dans les pièces justificatives envoyées par M. Brown, qui se rapportent aux frais de voyage et de subsistance de Mme Brown, devrait être remboursée immédiatement.

Je désirerais que vous me donniez des explications à ce sujet le plus tôt possible, car nous achevons la préparation du rapport de ce bureau pour le dernier exercice financier.

Je suis, monsieur, votre obéissant serviteur,

Le Directeur de la Galerie Nationale,
Ministère des Travaux publics.

WM. KEARNS, *A.G. adjoint.*

THE NATIONAL GALLERY OF CANADA, November 7, 1922.

SIR,—I have received your letter of 4th inst. The authority for the inclusion of the vouchers for Mrs. Brown's expenses on a tour through the west from June 4th to July 23rd, 1921, is the following minute taken from the proceedings of the 22nd meeting of the Board of Trustees of the National Gallery, held May 31st, 1921, which reads as follows:

> "The Chairman (Sir Edmund Walker) reported that arrangements have been made for the Director and Mrs. Brown to visit the west on a lecture tour. Lectures would be given on Canadian Art and the Canadian National Gallery, and on Art in Education at points where the National Gallery loan exhibitions were being held. It was resolved that Mrs. Brown's expenses be paid from the National Gallery vote and that a report on the tour be prepared by the Director for the next meeting of the Trustees."

Mrs. Brown received no remuneration for her services and the payment of her expenses continued only so long as she was giving her services to the work of the National Gallery.

The National Gallery of Canada Act, under Section 6, makes the Board responsible for the expenditure of the grants voted by Parliament for—

> "the encouragement and cultivation of correct artistic taste and Canadian public interest in the fine arts, the promotion of the interests generally of art in Canada" (Sec. 3).

All expenditures for travelling expenses, lectures, and other work of the National Gallery are authorized and approved by the Trustees before being incurred. This particular voucher was approved and signed in the regular way.

Yours truly,

ERIC BROWN, *Director*.

The Assistant Auditor General.

Galerie Nationale des Arts, le 7 novembre 1922.

Monsieur,—J'ai reçu votre lettre du 7 courant. L'autorisation pour l'inclusion des pièces justificatives pour les dépenses de Mme Brown dans une tournée dans l'Ouest à partir du 4 juin au 23 juillet 1921, est la minute suivante extraite des procès-verbaux de la 22ème réunion du conseil d'administration de la Galerie nationale des arts, tenue le 31 mai 1922, laquelle se lit comme suit:

> "Le président (Sir Edmund Walker) a fait rapport qu'on avait conclu des arrangements afin que le directeur et Mme Brown visitent l'Ouest dans une tournée de conférences. Des conférences seraient données sur les beaux-arts au Canada et sur la Galerie nationale des arts, ainsi que sur les beaux-arts dans l'éducation, aux endroits où auraient lieu les expositions des objets d'art prêtés par la Galerie nationale. Il a été résolu que les dépenses de Mme Brown seraient payées à même le crédit pour la Galerie nationale, et qu'un rapport sur la tournée soit préparée par le directeur pour la prochaine assemblée des administrateurs."

Mme Brown n'a pas été rémunérée pour les services qu'elle a rendus et le paiement de ses dépenses a continué seulement pendant qu'elle a donné ses services à la besogne de la Galerie nationale.

La loi concernant la Galerie nationale des arts, d'après l'article 6, rend le Conseil responsable des déboursés des subventions votées par le Parlement pour

> "l'encouragement et la culture d'un goût artistique exact et de l'intérêt du public canadien aux beaux-arts, à l'avancement d'une manière générale des arts au Canada" (Art 3).

Tous les déboursés pour les frais de déplacement, les conférences, et pour d'autres besognes de la Galerie nationale sont autorisés et approuvés par le conseil d'administration avant d'être faits. La pièce justificative en question a été approuvée et signée de la manière régulière.

Cordialement à vous,

(Signé) ERIC BROWN, *directeur.*

A l'auditeur général adjoint.
